

UI / UX designer & Illustrator

Yu'an
Lücht

Profile

My name is Yu'an Lücht, 22 years old and as a passionate and creative Communication and Multimedia Design student, I am driven by the intersection of design, coding and communication. I have a strong foundation in visual storytelling, user-centered design, and digital media. With experience in projects involving graphic design, UX/UI design, and multimedia content creation, I am eager to apply my skills in a professional environment.
